

To: Community of Interest

This spring semester the Department of Nursing graduate program is scheduled for an on-site accreditation visit from the Commission on Collegiate Nursing Education (CCNE) on April 10-12, 2017.

CCNE will meet with students, faculty, administration and staff to evaluate the Department of Nursing's accreditation status. The Department of Nursing has continuously maintained its accreditation status. Accreditation means that the Nursing Program meets established standards of educational quality, integrity, and effectiveness.

In preparation for the April visit, the Department of Nursing invites students, alumni, faculty, employers, clinical agencies, and the community at-large to provide written comments regarding our program. Comments should be sent directly to CCNE by March 20th, 2017 in order to be fully considered in the accreditation review. Please, submit your written and signed feedback ThirdPartyComments@aacn.nche.edu or mail them to:
