An undergraduate student remaining in attendance in regular sessions at HNU will meet the complete set of requirements in effect at Holy Names University at the time of entrance. If graduation requirements change during a student's attendance, the student may elect to meet the complete set of new requirements. The Registrar may authorize or require substitutions for discontinued courses.

A student declaring or changing his or her major or minor field of study is required to complete the major or minor requirements in effect at the time of the declaration or change. If attendance is maintained, changing one's major or minor will not change catalog rights for General Education or other graduation requirements beyond the major or minor.
